

REMARKS/ARGUMENTS

The examiner noted that "Pat. No." appeared in the previous amendments to the specification without markings to indicate the amendment. Again, the undersigned is most appreciative of the examiner's patience and for the opportunity to make the necessary formal corrections. The foregoing text restores the text to "Patent No." as originally filed.

A review of the amended specification portions has not revealed any additional non-compliances.

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

Respectfully submitted,

/George B. F. Yee/
